Need some help with your mix?

Having trouble? Give us a ring, that's where we shine. That's right, we actually have real people here to listen and help you decide which formula is right for your growing environment. Some say it's as easy as ABC or 123 but we know that it's not. Our highly trained and personalized technical staff will answer your questions and walk you through everything you need to know from result interpretation from our onsite lab, to formula choice and to mixing advice. Reach out to us at 866-522-5752 or email us at info@jacksnutrients.com

Here at JR Peters we are more than a company, we are a family of passionate, plant loving people. We care about our crafted products and about our customers.

For a complete listing of our fertilizers visit us online at jacksnutrients.com.
